DESIGN / MATTEO MANENTI & SIMONE CANNOLICCHIO

LOG è una collezione di sedie e sgabelli comodi dal disegno essenziale, dove la struttura in tondino d'acciaio disegna i profili e i volumi con una armoniosa simmetria fra vuoti e pieni. Le versioni con sedile e schienale in rete metallica o intrecciati con colorata corda di pvc sono adatte all'uso in esterno. Il rivestimento in pelle rigenerata offre una elegante soluzione per gli ambienti interni.

LOG is a comfortable and essential design collection of chairs and stools, where the structure in steel rod draws the profiles and volumes with a harmonious symmetry between empty and full. Versions with seat and back in mesh or braided rope with coloured PVC are suitable for outdoor use. The bonded leather coating offers a stylish solution for indoors.
