Appia

Design Christoph Jenni, 2014

La nuova collezione di sedie Appia multifunzione è caratterizzata dalla sperimentazione con tecnologie avanzate su materiali ad alte prestazioni come l'alluminio. Con o senza braccioli, per uso individuale o in gruppo, in ambienti privati o condivisi, all'interno o all'aperto, il modello Appia si adatta a qualunque tipo di situazione, in linea con l'approccio multifunzionale tipico di Maxdesign: per l'ambiente di lavoro e non solo.

La nouvelle collection de chaises polyvalentes Appia fait l'expérience de technologies avancées qui reposent sur des matériaux à haute performance, tels que l'aluminium. Avec ou sans accoudoirs, pour un usage individuel ou collectif, dans des espaces privés ou communs, en intérieur ou en extérieur, Appia est capable de s'adapter à une grande diversité de situations.

The new collection of multipurpose Appia chairs, is characterised by experimentation with advanced technologies on a high performing material such as aluminium. With or without armrests, for use alone or in groups, in private or in shared spaces, indoors or outdoors, Appia adapts to the most diverse situations.

Die neue Kollektion «Appia» mit ihren vielseitig einsetzbaren Stühlen ist Frucht des Experimentierens mit fortschrittlichen Technologien an dem hochleistungsfähigen Material Aluminium. Ob mit oder ohne Armlehnen, allein oder in der Gruppe aufgestellt, in privaten oder gemeinsam genutzten Räumen, Innen- oder Außenbereichen: Im Einklang mit dem für Maxdesign typischen Multifunktions-Ansatz passt sich Appia unterschiedlichsten Situationen an — für Sitzvergnügen pur am Arbeitsplatz und anderswo.
