

WING is a table created for working areas, but it can also fit inside a home-office or domestic environment.

It is characterized by a wooden frame inspired by the sawhorse of the working tables, and the rounded shape of the top with its contemporary lines.

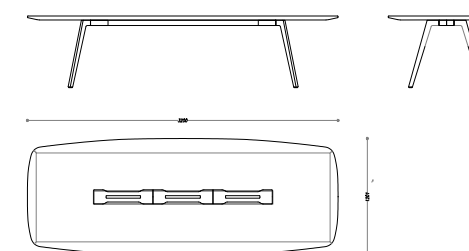

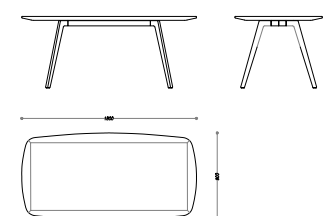

WING è un tavolo che nasce per gli ambienti di lavoro, ma può essere declinato in contesti di home-office o domestici.

Si caratterizza per la struttura sottostante leggera, che trae ispirazione dai cavalletti dei tavoli da lavoro, e per il top dalle forme arrotondate "a saponetta" dalle linee molto contemporanee.
