## Ferno

Meet Ferno, the most elegant member of B&T Design, with its contemporary design, strong nature, delicate workmanship as well as its form featuring soft curves, which gives a timeless answer to the classical understanding of comfort.

Indoor

Offering an inviting atmosphere with its large and comfortable seat, Ferno easily adapts to various usage alternatives and different spaces such as offices, hotels, waiting rooms thanks to its simple aesthetics.

## Designer

### Alp Nuhoğlu

Born on 13.09.1965 in Trabzon. Studied Industrial Product Design at Mimar Sinan University, Faculty of Architecture...

Established DOR – a furniture design company – in 1988. Has been working in B&T Design as a designer and the design manager since 2000.

Ferno

Lounge

Indoor

Designed as a lounge, Ferno makes room for site-specific adaptations with its choice of material supporting its cozy nature, while allowing the design to be customized.

**Ferno**

Its legs and armrests shaped by massive metal with a refined, linear form create a striking contrast with its large seat. Combining contrasts in harmony, Ferno allows for authenticity brought about by creative ideas thanks to its modifiable alternatives of colour and texture.
