

**MODULAR SOFA | BENCH | EASY CHAIR | FOOTSTOOL.** Frame of wood. Moulded polyurethane foam with fabric or leather cover. Plastic feet. Built-in connection fitting. If a fabric/color option is used for fewer than 4 modules for a multicolored BOB the option is regarded as one fabric type higher. For different fabrics in seat and back the higher fabric price applies. Base in black lacquered wood +6cm gives seat height 46cm.

BOB can be put together in endless combinations. Use CAD files or the BOB Planner available on our website to create your desired variant and attach the illustration in the order. [Follow the link to BOB planner here.](#)
