**Other fabrics may be specified. Patterned and unusually textured fabrics will be subject to assessment prior to order placement and may be liable to additional charges to cover lower yields. The team at Boss pride themselves on the quality of the products we manufacture and will not accept orders in fabrics that we do not believe will be compatible with particular pieces of seating.**

**These are subject to Boss Design Group approval and price on application.**

### Leather Hides

**The Boss Design Group buys leather as complete hides, orders for quantities that do not enable the Boss Design Group to use a complete hide and for non-standard specifications, will be assessed and any additional charges applicable will be advised prior to order acknowledgement.**
