## Elegant Poise 4 Star Swivel

By combining elegant design, high quality upholstery and attention to detail, Boss Design has created Marnie, a lounge chair collection which portrays luxury and style. This understated lounge chair collection includes a high and low back arm chair, which is available on either a 360° swivel base, 4 leg steel base, sled base or 4 leg wooden options.

## Clean Lines

Offering exceptional comfort and considered proportions, Marnie is the ideal choice for breakout, reception and hotel lounges. Its body can be upholstered in a wide variety of fabrics and leathers, with its angular back shape lending itself perfectly to two tone upholstery.

## Sculpted Comfort

Timber Leg

A striking graphic form and sitting experience, combined with intelligent design with the finest craftsmanship. The high sculpted back and gently curving contours promise outstanding sitting comfort, while its distinctive profile makes it a standalone statement piece to enhance any space.
