

# Jetson L4

## Jetson L4

A huddle space for up to four people. Gather your team to talk and debate, free from the distractions of office hustle and bustle. Here, you all can make yourself at home: adjust the seat rests or decorate the shelves with books or posters. The ventilation exchanges air inside every 2 minutes to keep your minds sharp and your ideas fresh.

Jetson is a family of universal acoustic pods designed to make everyone's work joyful and fruitful. It's truly people-focused: comfortable and customizable through add-on sets to meet your need and vision. Made of extruded aluminum, which makes it the lightest and most environmentally-friendly pod on the market. With its durable construction, no tools assembly, effective sound attenuation, and attractive price, Jetson will introduce the benefits of acoustic pods to all.
