- 3 Wooden inner frame
Struttura interna in legno
- 4 Flexible hard injection foam
Schiuma poliuretanic flessibile
- 5 Aluminum feet
Piedini in alluminio
- 6 Steel inner frame
Struttura interna in acciaio

ORACLE -Modular system of upholstered seats for public areas, characterized by the high and embracing backrest that gives a great privacy protection, working as a divider from the outside world. Oracle are something more than just sofas, they are actually mini-environments where to find the right dimension you need for working, having a chat or simply relaxing.

ORACLE -Sistema componibile di sedute imbottite per aree pubbliche caratterizzate dallo schienale molto alto e protettivo della privacy, una sorta di muro divisorio con il mondo esterno. Più che semplici divani sono dei veri e propri mini-ambienti in cui poter ritrovare la giusta dimensione per lavorare, discutere o anche solo riposare.

ORACLE – Steel inner frame covered by hard injection fireproof foam padding. Benches and connection panels are made with an internal multilayer beechwood structure, cover by high density polyurethane foam.

Aluminum feet; steel legs or mdf table leg available for bench version.

ORACLE – Struttura interna del divano realizzata in acciaio, annegata in schiuma poliuretanic flessibile e rivestita. I pannelli di connessione e la panca hanno struttura interna in multistrato di faggio spessore 20 mm, imbottiti con poliuretano espanso indeformabile.

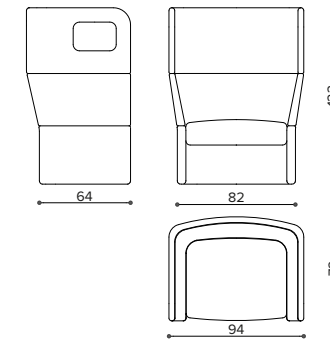

Piedini di appoggio in alluminio; sostegno della panca in acciaio verniciato o con tavolo in mdf laccato.
