# NOSMOKING

P+F Parisotto+Formenton

La famiglia di imbottiti Nosmoking si compone di poltrona e divano, concepiti per allestire zone d'attesa, grandi spazi, lounge. Il design dalle linee compatte ha proporzioni insolite che danno un carattere di forte riconoscibilità alla collezione. Lo schienale, insolitamente alto, avvolge con due corte orecchie inclinate la persona seduta donando un effetto inaspettato di privacy e comodità. Struttura, seduta e schienale giustapposti tra loro come elementi indipendenti formano un'intersezione delle linee dinamiche che connota fortemente il fianco.

A family of padded seats composed by armchair, and sofa designed to fit inside waiting areas, large spaces and lounge. The design is defined by compact lines and unusual proportions, which makes Nosmoking standing up among the classic seating collections. The backrest, unusually high, embraces the user with two short "ears", providing an unexpected effect of privacy and comfort. Structure, seat and backrest are juxtaposed as independent elements that create dynamic lines when the intersect each other, giving a strong peculiarity to the side view.
