A versatile product, perfect for both personal and commercial environments, with great sensitivity to the theme of sustainability, yet at the same time light and playful. “Humble and light, the Nomade collection of wooden tables is inspired by Japanese culture, where the essential becomes naturally agile”.

His playful language invites us to move, adapting to spaces and according to the random needs that each situation presents to us.

Un prodotto versatile, perfetto sia per gli ambienti domestici che per quelli contract, dalla grande sensibilità al tema della sostenibilità e al contempo leggero e giocoso.

“Umile e leggera, la collezione di tavoli in legno Nomade si ispira alla cultura giapponese, dove l'essenziale diventa naturalmente agile.”

Il suo linguaggio giocoso invita a muoversi, adattandosi agli spazi e componendosi secondo le esigenze casuali che ogni situazione ci presenta.
