L'élégance de première classe

DESIGN

Patrick Jouin, 2013

EN — Ester is a mix of elegance, ergonomics and functionality: a precious monolith made of leather complemented by refined die-cast aluminum legs. Ester armchair with its soft and graceful lines, along with the great comfort offered by the seat made of polyurethane foam with elastic belts, distinguishes the interior of the most exclusive restaurants and hotels in the international scenario.

IT — Ester rappresenta la sintesi perfetta di eleganza, ergonomia e funzionalità: un prezioso monolito di pelle, completato dalla raffinata gamba in pressofusione d'alluminio. Le forme sinuose e morbide della poltrona Ester e l'assoluto comfort garantito da una seduta realizzata in schiumato poliuretano con cinghie elastiche, contribuiscono a caratterizzare gli spazi interni di ristoranti e hotel tra i più rappresentativi del panorama internazionale.

Guinea

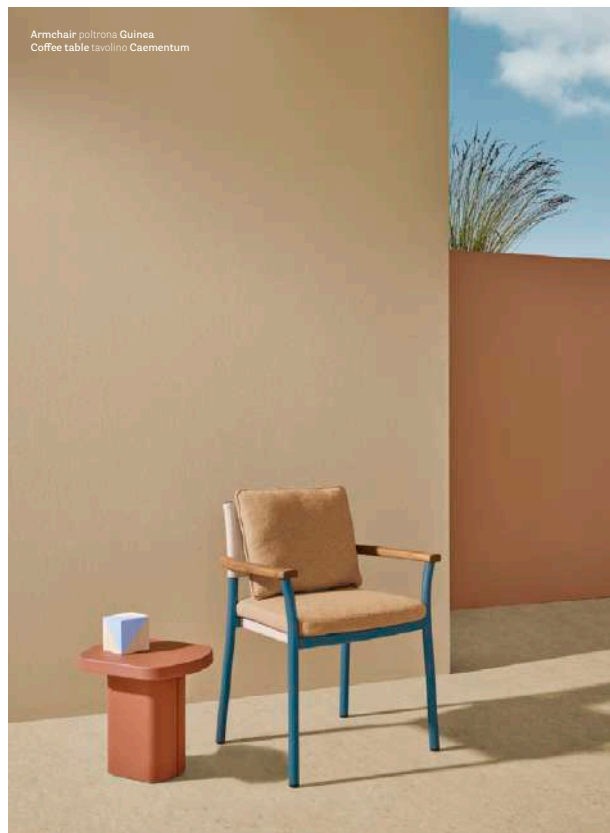

A tropical allure

DESIGN
CMP Design, 2023

EN — Guinea is an aluminium outdoor armchair with an iconic allure that evokes the concept of lightness and transparency. The aluminium frame combines with a seat in waterproof textile mesh on which rests a soft, removable cushion. Guinea can be customised in various configurations: the version with a waterproof textile mesh backrest is reminiscent of the traditional director's chairs, the version with the backrest in aluminium slats features more traditional, archetypal forms.

IT — Guinea è una poltrona in alluminio per outdoor che suggerisce un'idea di leggerezza fisica e visiva oltre che iconica. La struttura portante in alluminio è abbinata ad una seduta realizzata in rete tessile impermeabile sulla quale appoggia un soffice cuscino removibile. Guinea può essere personalizzata con diverse configurazioni: la versione con schienale in rete tessile impermeabile ricorda le tradizionali sedie da regista, la versione con schienale con doghe in alluminio è definita da forme più tradizionali e archetipe.

Panarea

Mediterranean breeze

DESIGN
CMP Design, 2020

EN — The idea behind Panarea is rooted in the Mediterranean coastline and brings to mind the colours and the refreshing summer breeze of a dinner on a terrace overlooking the sea. The wide and curved backrest is woven in polypropylene cord which creates an original geometrical pattern and wraps around the tubular steel frame as far as the armrests. The lounge armchair comes with a wide seat and a high backrest.

IT — Panarea nasce da un'idea di paesaggio costiero mediterraneo, che riporta alla mente i colori e la brezza rinfrescante di una cena all'aria aperta in una terrazza affacciata sul mare e la luce conciliante e ristoratrice della stagione estiva. Lo schienale ampio e accogliente è intrecciato in corda di polipropilene che, nella sua originale geometria, crea una raffinata greca e avvolge il tubo del telaio in acciaio, coprendo anche i braccioli. La poltrona lounge è dotata di una seduta molto generosa e di uno schienale alto.

Tribeca

DESIGN
CMP Design, 2018

EN — Tribeca takes us back in time with a modern reinterpretation of classic Sixties patio chairs made from steel and woven cord. A true icon, revisited with new materials: a solid tubular frame, combined with the elasticity of a profile in vertically-woven plastic material.

Nari

A family tradition

DESIGN
Andrea Pedrali, 2023

EN — Nari echoes some of the elements of the first forged iron garden chairs from Pedrali's 1960s collection in a contemporary key. The distinctive feature of the legs is evoked using a double steel tube that features a simpler, more linear shape. This woven element tightens towards the lower part of the seat and widens towards the top, calling to mind the fanshaped geometry inspired by the backrest of the Serenella armchair. A tribute of the designer to his grandfather Mario Pedrali, founder of the company.

IT — Nari riprende alcuni degli elementi delle prime sedie da giardino realizzate in ferro battuto presenti nella collezione Pedrali degli anni Sessanta reinterpretandoli in chiave contemporanea. L'elemento distintivo delle gambe viene rievocato ora attraverso l'utilizzo di un doppio tubo d'acciaio dalla forma più lineare e semplice. L'incordatura si stringe nella parte inferiore della seduta e si allarga verso l'alto per richiamare la geometria a ventaglio ispirata allo schienale della poltrona Serenella. Un tributo del designer al nonno Mario Pedrali, fondatore dell'azienda.

Elegance and memory

DESIGN
Eugeni Quitllet, 2022

Remind

Between mind & heart

DESIGN
Eugenii Quitilet, 2018

EN — While evoking the soft sinuous curves of wooden chairs from the late nineteenth century, Remind's organic silhouette recalls something never seen before, a universal shape able to fit into any space and style of decor. The result is an innovative polypropylene armchair, in which each element is conceived to ensure total comfort and cosiness.

IT — Remind riprende la memoria delle curve morbide e sinuose delle sedie in legno della seconda metà del XIX Secolo. La sua essenza si esprime attraverso una silhouette dalle forme organiche capace di "ricordare qualcosa mai visto prima", una forma universale in grado di adattarsi a qualsiasi spazio e stile. Una poltroncina innovativa in polipropilene in cui ogni elemento è pensato per conferire comfort e avvolgenza.

Soul

Pure creativity

DESIGN
Eugeni Quitllet, 2018

EN – The concept of Soul stems from the idea of creating a chair using a blend of age-old methods and cutting-edge techniques. Its ash structure has a minimalistic, flowing silhouette, characterized by a harmonious interplay of curves and lines. The ergonomic polycarbonate seat, that appears suspended, can be padded to enhance its comfort. The outdoor version made of aluminium, with a seat in teak slats, ensures strength and lightness.

IT – La poltrona Soul nasce dal desiderio di creare una seduta ricorrendo a metodi tradizionali e sfruttando al tempo stesso la tecnologia. Linee sinuose caratterizzano una struttura in frassino resa dinamica e di carattere grazie al gioco armonico di curvature e dolci inclinazioni. Il sedile ergonomico in policarbonato, che pare sospeso, può essere imbottito per esaltarne il comfort. La versione outdoor realizzata in alluminio, con sedile con doghe in teak sagomate, garantisce resistenza e leggerezza.

Ila

L'île du confort

DESIGN
Patrick Jouin, 2020

EN — The elegant and high-quality Ila armchair is a refined piece of furniture with a strong personality, expressing utmost comfort, softness and sensuality. The smooth exterior in rigid polyurethane almost cocoons the user in its large volumes, allowing a moment of relaxation and escape from everyday life. This sense of protection is augmented by the inner side of the backrest and seat in flexible polyurethane foam, which adapts to the human body and envelops it just like a soft embrace.

IT — Ila sintetizza i concetti di eleganza e qualità, identificandosi come un arredo prezioso dalla forte personalità capace di esprimere comfort assoluto, morbidezza e sensualità. La parte esterna di Ila è realizzata in poliuretano rigido, liscio e teso, quasi a creare una protezione nei confronti di chi ha scelto di ritagliarsi un momento di relax e di evasione, all'interno dei suoi grandi volumi. Il senso di protezione viene inoltre suggerito dalla parte interna di schienale e sedile, a contatto con il corpo umano, in schiumato poliuretano flessibile, quasi a cingerlo in un abbraccio.

Héra

Fluidity of shapes

DESIGN
Patrick Jouin, 2019

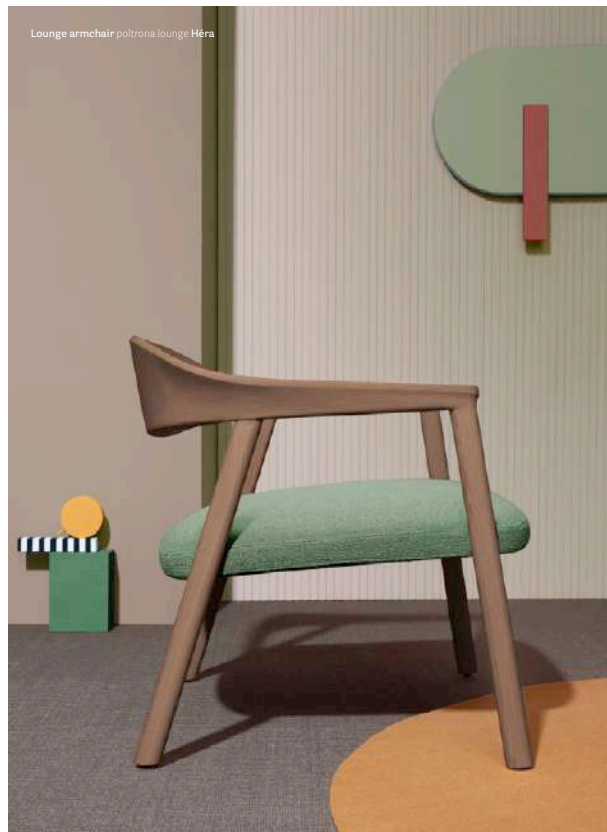

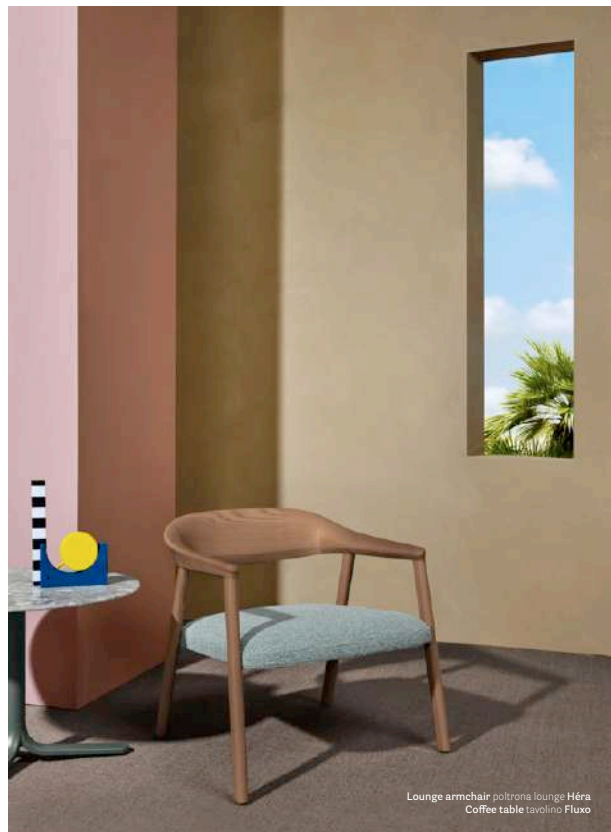

EN — Wood - the ultimate natural raw material - is the inspiration behind Héra. Available in ash or American walnut, this armchair embodies the concept of lightness, fusing it with comfort. The backrest, in three-dimensional bent plywood, has a remarkably elegant and ergonomic design. The rectangular-section legs with round edge display an attention to detail.

IT — Il legno, materia prima naturale per eccellenza, ha ispirato Héra. Realizzata in frassino o noce americano, questa poltrona concretizza il concetto di leggerezza e lo unisce a quello di comfort e di avvolgenza. Lo schienale in multistrato curvato tridimensionale è gradevole alla presa, oltre che caratterizzarsi per eleganza ed ergonomia. Le gambe a sezione rettangolare con angoli raggiati esprimono attenzione ai dettagli.

Shaping comfort

DESIGN
Patrick Norguet, 2022

EN — Jeff is a contemporary modular sofa system. It is designed as a set of miniature architectures, skilfully combined to create multiple modular and reconfigurable scenarios. The distinguishing feature of Jeff is its harmony of volumes: the squared backrest pairs with a delicate seat to soften and give balance to the whole structure.

È progettato come un insieme di piccole architetture che, combinate tra loro, danno vita a molteplici scenari componibili e riconfigurabili. Elemento caratterizzante di Jeff è l'armonia dei volumi: forme squadrate sono abbinata a curve delicate capaci di ammorbidire e donare equilibrio all'insieme.

Buddyhub

Friendly spirit

DESIGN
Busetti Garuti Redaelli, 2020

EN — Buddyhub is characterized by a wrap-around, sound absorbing panel which envelops the seat in a sort of enclosed niche. Available as an armchair or sofa, it can be used as a temporary sound-proofed workstation. It is also possible to place two units opposite each other and to join them by means of a panel to which a table can be attached, thus creating an informal meeting space or break area. A large seat, in polyurethane foam supported by elastic belts, and a cosy backrest offer exceptional comfort.

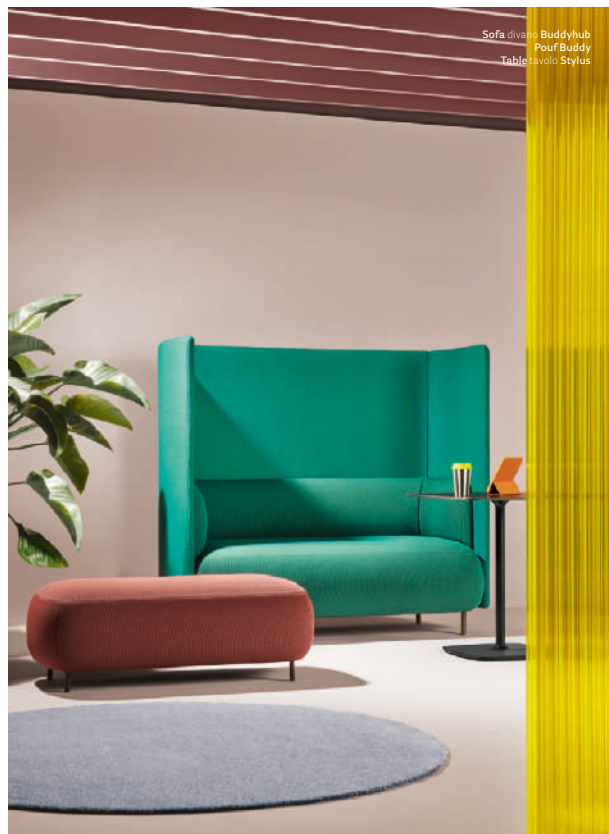

IT — Buddyhub è caratterizzato da un pannello fonoassorbente perimetrale che abbraccia l'imbottito creando una sorta di rifugio dall'ambiente circostante. Disponibile nella versione poltrona o divanetto, si configura come postazione di lavoro temporanea. Ponendo i due elementi uno di fronte all'altro, uniti tra loro da un pannello a cui può essere fissato un tavolino, danno vita a spazi pensati per ospitare meeting informali e aree break-out. La dimensione generosa della seduta, realizzata in schiumato poliuretano con dinghie elastiche, e l'accogliente schienale consentono un alto grado di comfort.
