Cocoon

Designed by Boss

Imagine the comfort of a sofa combined with the postural support of a traditional desk and task chair. Meet Cocoon, a high-back sofa with a roof expertly engineered and designed to absorb background noise and insulate from external distraction.

Acoustic Sanctuary

Cocoon meeting booths offer infinite possibilities, creating warm, informal areas for collaboration and providing a base for visitors or nomad workers. It can be finished in a range of colours and offers optimum ease of movement thanks to castors and a slimline shape that fits easily through a standard doorway.
