Modular Seating

A family with distinct profiles. Where simple gets smart.  
Where colour comes together seamlessly. Where comfort  
meets everyday ergonomics. Where change occurs with ease.  
Designed around you, this is where work feels like home.

hemm = home

- Choice of black or white painted legs (Boss Standard RAL colours available)
- Integrated power and data modules

# Myriad

Public Spaces

---

As a place to congregate and discuss ideas, or as a touchdown zone, Islands support the work anywhere philosophy. Islands also create a fantastic central focal point in atrium spaces, providing interesting geometric shapes and an area of interest.

Agile and Connected

Myriad clusters are ideal for public spaces, offering integrated power and data connectivity. The modules can be linked together to provide an endless configuration for spaces where traffic is high and there is a need for extra seating.

## Myriad System

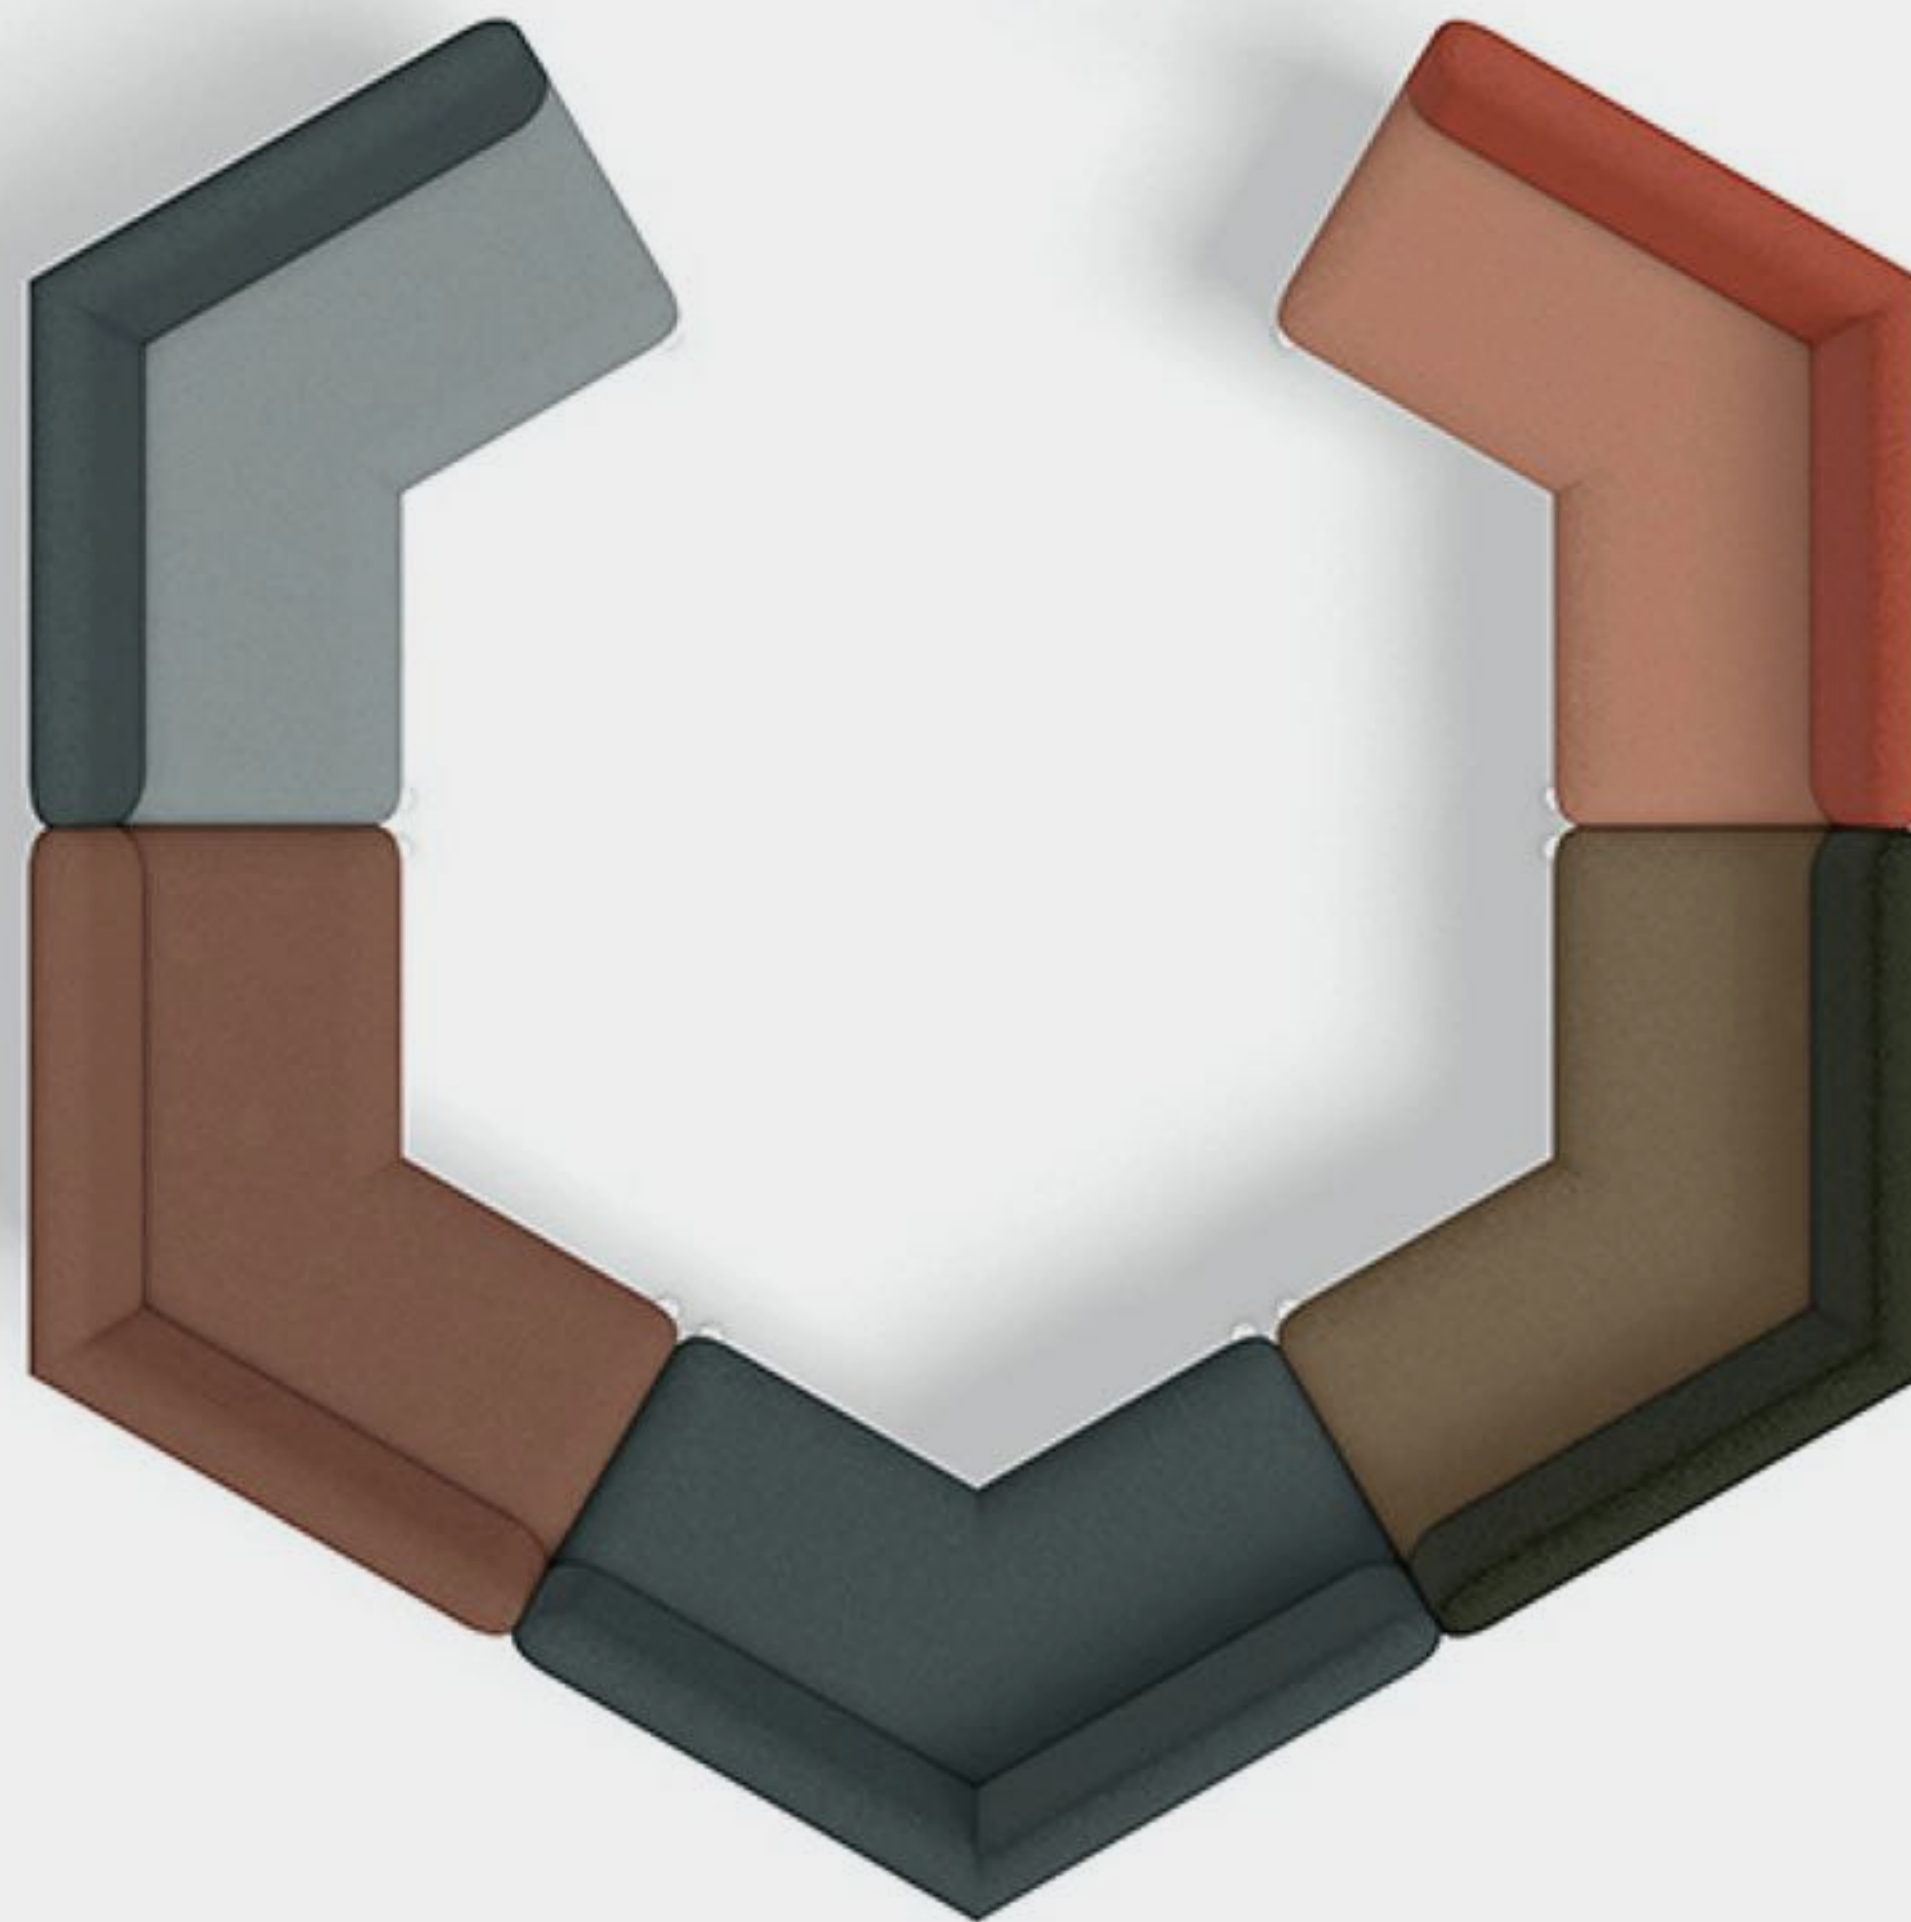

This modular seating range includes a diverse selection of upholstered modular furniture, completely flexible and reconfigurable. Myriad is made up of eleven linkable seating units, three privacy screens, side tables, and arms that accommodate power. You become the designer with Myriad, arranging modules to create any shape you desire. You can also easily mix and match Myriad with products from across our portfolio.

## Myriad System

Myriad gives you the opportunity create a comfortable meeting area, private huddle space or a stunning island. The possibilities are truly infinite with this versatile range.
