

# Shuffle

Focus Booth

boss

Shuffle provides an informal meeting space with endless configuration possibilities. Available as a high and low back option the contoured design enhances the acoustic properties and absorbs ambient background noise.

Based around one simple unit, Shuffle can be used for all current office functions associated with soft upholstery such as touchdown and breakout areas, meeting spaces and partitioning.

- Contoured back for enhanced privacy
- CMHR moulded seat and back foam upholstered in any fabric
- Large glides for ease of reconfiguration
- Pixel units can be Integrated
- Not recommended to be upholstered in Band 1 fabrics
