Comfort and design

Reinventare lo spazio, modificarlo, trasformarlo: è possibile con Key Join, il divano che offre molteplici opportunità di composizioni. Le gambe in alluminio pressofuso lucido, verniciato bianco, nero o tortora, sostengono una seduta proposta con schienale basso o schienale alto. Con doppia presa USB, tavolino free standing e piani di appoggio in diverse misure per dare vita a svariate configurazioni, adattabili a piccoli e grandi contesti di attesa. Lo spazio diventa fluido, dinamico, giocoso. È Key Join: interni da vivere in tutte le loro opportunità.

EN — Reinventing space, modifying it, transforming it: all possible with Key Join, the sofa offering multiple composition opportunities. Legs in die-cast polished aluminium, also painted white, black or dove grey, support a seat designed with a low or high backrest. Optional double USB socket, free-standing table and support surfaces in different sizes to create various solutions, adaptable to small and large public area settings. The space becomes fluid, dynamic, playful. That's Key Join: a multitude of interior solutions to be experienced.

FR — Réinventer l'espace, le modifier, le transformer : c'est possible avec Key Join, le canapé qui peut être disposé dans une multitude de compositions. Les pieds en fonte d'aluminium poli ou époxy blanc, noir, tourterelle, supportent une assise disponible avec un dossier bas ou haut. Avec une double charge USB, une table indépendante et des plateaux de différentes tailles pour créer des variantes de configurations, adaptables aux petits et grands contextes d'attente. L'espace devient fluide, dynamique, ludique. C'est Key Join : les intérieurs à expérimenter dans toutes leurs possibilités.

DE — Den Raum neu erfinden, verändern, verwandeln: Das ist möglich mit Key Join, dem Sofa mit vielfältigen Gestaltungsmöglichkeiten. Die Beine aus poliertem Aluminiumdruckguss, weiss, schwarz oder taubengrau lackiert, tragen einen Sitz, der mit niedriger oder hoher Rückenlehne angeboten wird. Erhältlich mit doppeltem USB-Anschluss, freistehendem Tisch und Ablageflächen in verschiedenen Größen, um verschiedenen Konfigurationen Leben einzuhauchen, die sich an kleine und große Wartebereiche anpassen lassen. Der Raum wird fließend, dynamisch und spielerisch. Das ist Key Join: Innenräume in all ihren Möglichkeiten zu erleben.
