

# Jetson S1

# Jetson S1

An acoustic oasis for one. Step inside and have a quick call, video meeting, or deep work session to come up with the next big idea. Make yourself at home: close the door, set up your smartphone, and focus on the task at hand, and Jetson takes care of the rest.

Jetson is a family of universal acoustic pods designed to make everyone's work joyful and fruitful. It's truly people-focused: comfortable and customizable through add-on sets to meet your need and vision. Made of extruded aluminum, which makes it the lightest and most environmentally-friendly pod on the market. With its durable construction, no-hassle assembly, effective sound attenuation, and attractive price, Jetson will introduce the benefits of acoustic pods to all.

## FUNCTION

---

Quick-call, video meeting or focused work

## ACOUSTICS

---

Insulation

## USAGE

---

Open space

Reception

Breakout area

Other public spaces

# Dimensions, weight & features

| DIMENSIONS [MM]      | EXTERIOR / INTERIOR                               | WEIGHT [KG]                   |                 |
|----------------------|---|-------------------------------|-----------------|
| Width                | 1000 / 860  | Pod / with packaging          | 210 / 250       |
| Depth                | 1000 / 860<br>+ 800 with an open door             | Tabletop / max load           | 3,5 / 8         |
| Height               | 2264 / 2102                                       | Deep shelf / max load         | 2,3 / 6         |
| Tabletop (w x d x h) | 860 x 300 x adjustable (every 4,5 cm of the wall) | Shallow shelf / max load      | 1,5 / 3         |
|                      |   | Display rail                  | 1,4             |
|                      |   | Stool / with pack. / max load | 11,5 / 13 / 110 |

| STANDARD EQUIPMENT SET                    |                                       | OPTIONAL EQUIPMENT |                               |
|---|---------------------------------------|--------------------|-------------------------------|
| Ventilation system                        | Wall-mounted tabletop                 | Stool              | 300 x 390 mm                  |
| LED Light                                 | Display rail, phone holder and magnet |                    | Height-adjustable: 600-840 mm |
| Occupancy sensor for fans and light       | Wall hook                             |                    | Free-standing with footrest   |
| Media port with 2 power and 2 USB sockets | Power cord 3 m                        |                    |                               |

# Technical data

## ACOUSTIC RESULTS AND VENTILATION

|                                    |                                |
|------------------------------------|--------------------------------|
| Speech attenuation level           | 27,2 dB, class B per ISO 23351 |
| RT20 inside                        | <0,2 s per ISO 354:2005        |
| Airflow                            | 50 m3/h                        |
| Fan emitted noise outside / inside | ≤30 dB / ≤36 dB                |

## POWER CONSUMPTION

|   |                                 |
|---|---------------------------------|
| Standby   | 4,5 W                           |
| Working (fans, LEDs)                                | 12 W                            |
| Max power supply                                    | 20 W (no receivers)             |
| Power supply voltage                                | 220-240 / 100-120 VAC, 50-60 Hz |
| Supply voltage for ventilation, lighting and addons | 24 V DC                         |

## COMPOSITION

Aluminium structure and steel elements  
 Plywood and melamine faced chipboard  
 Isolating and absorbing materials  
 Soundproof glass  
 Felt

## LIGHTING PERFORMANCE

|                   |         |
|-------------------|---------|
| Power             | 8 W     |
| Brightness        | 240 lux |
| Color temperature | 4 000 K |

## MEDIA PORT

|                        |   |
|------------------------|---|
| Supply voltage         | 220-240 / 100-120 VAC, 50-60 Hz         |
| Power sockets          | 2                                       |
| USB fast charger       | TUF A+C 25 W, 5 V DC                    |
| Available socket types | FR / DE / UK / US / CH / AU / DK* / IT* |
| Mounting system        | Included                                |
| Color                  | Black                                   |

\*The appearance of the media port may differ from that shown in the renderings. Parameters and features remain unchanged.

# Additional information

## CARE

Keep product dry  
 Vacuum and clean regularly  
 Follow the assembly instructions & terms of use  
 Follow product's Cleaning and care guide

## LOCATION ASSURANCE

Ensure at least 20 cm space between the pod and the ceiling  
 Two pods can be placed together without a need of free space between sidewalls

## GUARANTEE

5 years guarantee for the product  
 2 years guarantee for finishing materials, door elements and electrical components

## ENVIRONMENTAL IMPACT

Environmental management system ISO 14001  
 European Economic Area and RoHS Compliant  
 Made of aluminum, lightweight, durable and fully recyclable  
 Recyclable packaging

## PRODUCTION

Certified Production Process ISO 9001  
 Product manufactured in Poland  
 Assessed and deemed to meet EU safety st.

## DELIVERY & ASSEMBLY

Flat cardboards delivered on a pallet  
 Package dimensions (l × w × h)  
 2280 × 1270 × 915 mm  
 No-tools wall connecting system

# Add-on sets

## Library set

Weight / with packaging 6,5 / 8 kg

DEEP SHELF × 1

838

220

55

SHALLOW SHELF × 1

838

100

55

DISPLAY RAIL × 1

838

25

75

Also included:

BOOKEND × 2

WALL HOOK × 1

STAND × 1

MAGNET × 2

## Note set

Weight / with packaging 10 / 12 kg

WHITEBOARD (9,5 KG) × 1

838

1037

22

34

12

Also included:

WALL HOOK × 1

MAGNET × 3

MARKER × 1

ERASER × 1

# Finishes overview

## 1 EXTERIOR WALLS AND FRAME

Moon White, PANTONE GREY 403051

Void Black, NCS S8500-N

## 2 INTERIOR WALLS AND CEILING

Light gray felt

## 3 TABLETOP AND SHELVES

Oak wood melamine, H1334 ST9

## 4 SEATING UPHOLSTERY

Gabriel Chili, 60115

## 5 BOOKENDS AND MAGNETS

Matching walls color

## 6 FLOOR

Dark gray carpet

The smart choice.
