

# Slight

Christophe Bourban & Luciano Dell'Orefice

**true**

Thin as a leaf, the SLIGHT sofa collection takes the opposing view to the classic padded sofa. Like a little folded page, the soft body embraces you in different ways and comes out in several forms according to use requirements, both suitable for waiting areas such as domestic interiors.

Sottile come una foglia, la collezione di sedute SLIGHT prende il classico imbottito in contropiede. Come una pagina appena piegata, la scocca soffice vi abbraccia in modi diversi e si declina a seconda delle esigenze d'uso. Pensato sia per gli spazi d'attesa sia per gli ambienti domestici.
