

SPENCER STOOL

alor

Description

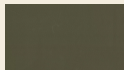

From the big brother to the pip squeak in the family, the Spencer Stools have you covered with seat heights available in 450, 650 and 750mm.

As direct descendents of the Charlie chair, the spencer range shares the same solid timber frame and molded plywood backrest design, providing the support and elegance you need in your life.

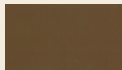

Produced in three solid timber varieties, Ash, Oak and Walnut, as well as a range of upholstered seat base options, the Spencer range is sure to meet your every want and need.
