Introduction

La collezione Fiocco è una famiglia di tavolini di design firmata da Favaretto & Partners per True Design. Il progetto nasce da un gesto semplice e universale: legare un pacchetto con un nastro fino a formare un fiocco. Da questa azione quotidiana prende forma un'idea progettuale capace di trasformarsi in un tavolino contemporaneo dal carattere essenziale ed elegante.

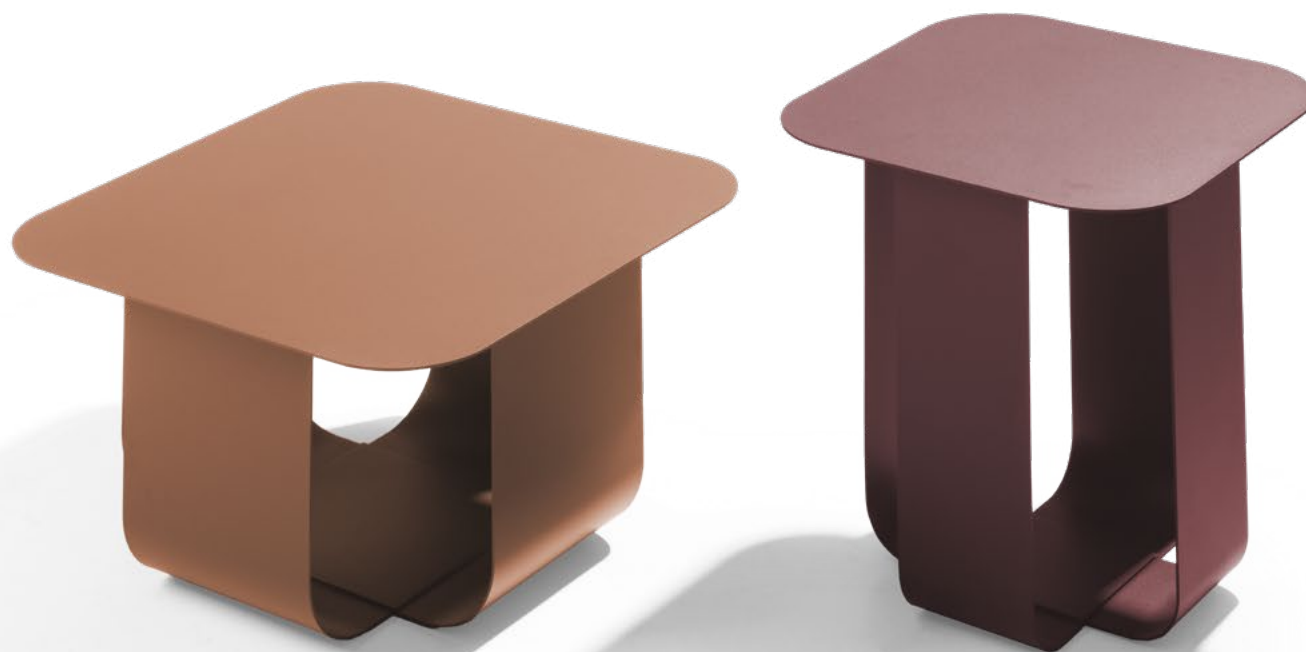

The Fiocco collection is a family of designer side tables created by Favaretto & Partners for True Design. The design stems from a simple, universal gesture: tying a package with a ribbon to form a bow. From this everyday action emerges a design concept that has been transformed into a contemporary side table with a minimalist and elegant aesthetic.
